EDUCATION

Texas A&M University, College Station, TX
- Master of Science in Visualization / Computer Graphics

SELECTED COURSE
- 3D Modeling and Animation
- Physics Based Modeling
- Rendering and Shading

INDEPENDENT PROJECTS

Moana and Frozen 2 marketing materials
- I made Chinese traditional painting style posters for Moana and Frozen which are used by Disney as marketing materials in Chinese market. I pitched the idea and then conducted the execution to the end.

Sleddin A CG Animated Short
- Best Student Project: Runner-Up on Siggraph Animation Festival 2014 Task: Snow and cloth simulation.
